## **ChoirBLAST Community Choir Volunteer**

Would you like to become a Community Choir Volunteer?

Unpaid Role – subject to DBS check

At ChoirBLAST, we believe that singing together changes lives. Behind the joy and harmony, though, lies careful co-ordination – people guiding people, ensuring every voice finds its place. That's where this role begins. We are looking for enthusiastic, passionate people who love to sing, to help support the singers in the community choirs we run. It's all about learning harmony parts, aiding the understanding of lyrics and emotions in a song, and supporting the choir leader to be able to deliver consistent sessions.

Together, we'll make sure ChoirBLAST keeps growing as a movement that celebrates voices, stories and community spirit.

We're growing fast – starting in our local area and building towards a national movement. To get there, we need brilliant volunteers, and that's where you come in.

### **What you'll be doing**

- Joining a regular ChoirBLAST Community choir session per week or fortnight.
- Taking registers and communicating with the members.
- Learning the vocal parts, Makaton and aiding the members to be able to confidently deliver their parts.
- Building confidence and simply enjoying the joy of contributing.
- Encouraging members to share their stories – capturing the voices and reflections that make our work so powerful.

### **What you'll bring**

- A genuine love for singing, or a passion for what choirs can do for people.
- A strengths-based mindset: seeing potential in people and helping it grow.
- A commitment to safeguarding, equality, and diversity in everything you do.

- A committed role to the choir you sign up to sing with.

### **What we offer**

- A chance to play a key role in a joyful, creative, and growing movement.
- The opportunity to work with people of all ages and backgrounds, united by a love of singing.
- A role that genuinely changes lives – including your own.

### **Practical Details**

- Time commitment: 30mins - 2 hours per week.
- Unpaid role.
- Safeguarding: this role is subject to a DBS check.
